### **DETAILED ACTION**

1. This is in response to the Applicant's arguments and amendments filed on January 24, 2007 in which claim 28 has been canceled, and claims 30-54 have been added. Claims 28-54 are currently pending.

#### ***Allowable Subject Matter***

2. After a further search and thorough examination of the present application and in view of the applicant's arguments, claims 28-54, renumbered as 1-27, are found to be in condition of allowance.

3. The following is an examiner's statement of reasons for allowance: the cited prior art a call is made via the bidirectional transfer network, which provides information of where the DVD receiver is located so that only suitable number of transmitters in the area are used for the information transfer and minimum number of transmitters are used to transfer the information.

On the other hand, the Applicant teaches identifying a cell in which said cellular telephone proximate to a digital broadcast video was most recently located based on said phone number; using said cell identity to identify one or more digital video broadcast transmitters having a coverage footprint that overlaps said cell; and transmitting said requested content to said terminal using said identified one or more digital video broadcast transmitters. These limitations, in conjunction with all limitations of the independent claims have not been disclosed, taught, or made obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
